**2022-2023 Report**
For the year that just ended (July 1-June 30), indicate objectives met, activities completed, and funds used. In addition, please note if/how any activities enhanced diversity, equity, inclusion, or justice.

**Goal:** The Education Interest Network will be a dynamic and useful network for AAIDD members and potential AAIDD members.

**Objective:** Disseminate information and research on the education of children and youth with IDD

*Activities and Progress:*
- Post policy, practice, and research information on Facebook page and group (see next activity)
  - EIN event information was posted regularly to Facebook page: https://www.facebook.com/aaiddeducation
- Increase a linked Facebook group to go with the Facebook page
  - The Facebook Page currently has 130 followers with 105 likes.
- Organize presentations and panel discussions to share research-based approaches to relevant topics in education (via monthly/regular meetings)
  - Hosted 7 events for members on topics of interest indicated by members through a survey at the beginning of the year. Presenters included self-advocates who shared about lived experiences, early career researchers, practitioners and established researchers in the field.
- Submit a presentation to AAIDD and other outlets of the joint position manuscript
  - Presented a poster at the AAIDD annual meeting in Pittsburgh

**Objective:** Increase awareness of and involvement in the Education Interest Network

*Activities and Progress:*
- Provide a scholarship to a graduate student whose work aligns with the Education Interest Network
  - Postponed awarding of a SECP scholarship in favor of providing financial support for self-advocates to attend the Annual Meeting; a decision made collectively by members of the EIN
- Hold quarterly meetings (invite all AAIDD Education Interest Network members to participate) incorporating presentations and panel discussions with EIN and other IN members
  - Quarterly meetings were held after a few of the 7 EIN events – during these meetings, the presentations were shorter that allowed for EIN leadership to have discussions with members
- Create a list of presentations on education for the annual meeting/conference and send this list to Education Interest Members for easy reference at annual meeting/conference
  - Not completed this year
- Submit a proposal for an informational poster about the Education Interest Network and its priorities at the annual AAIDD meeting/conference

Due July 14, 2023
